

AIR COMPRESSOR

PT9020G

MMax CFM: 14.8
Max PSI: 175
Engine: 9hp OHV Powertrain Industrial Engine
Starting method: recoil
Air tank: 20 gallon
Belt driven
Automatic idle control
10" pneumatic wheel kit with handles
100% cast iron for high performance and durability
Weight: 250 Lbs
1 year limited warranty
Emissions complaint in all states except CA

PT130GE30T

Max CFM: 21.5
Max PSI: 175
Engine: 13hp OHV powertrain industrial engine
Starting method: recoil/ electric
Fuel tank: 30 gallon
Belt driven
Automatic idle control
100% cast iron for high performance and durability
Weight: 300 lb
1 year limited warranty
Emissions complaint in all states except CA

XTREME Contractor Series
