

NOTHING STOPS A TRAIN!
PowerTrain™
INDUSTRIAL ENGINES & POWER EQUIPMENT

GENERATOR

PTG6500EXCS

Continuous output: 6500 watt
Maximum output: 8500 watt
Engine: 13 hp OHV Powertrain Industrial Engine
Starting method: recoil / electric
Noise level: 76 decibels
Fuel tank capacity: 6.5 gallon
Approximate run time: 12 hours @ 50% load
Volt meter
1-240 volt twist lock plug 30 amp
1-120 bolt twist lock plug 30 amp
2-120 volt plug 20 amp
10 amp battery charger
Twist lock plugs (included)
Gel sealed battery (included)
10" pneumatic wheel kit with fold away handles
1-1/2" diameter steel frame
Measurements: 28" (L) x 20-3/4" (W) x 22" (H) without wheel kit
Weight: 231.5 Lbs
Full color retail carton
1 year limited warranty
Emissions compliant in all states except CA
